MAGICIAN MURRAY SAWCHUCK AND OPENING ACT LEFTY (INSET).

From appearances on “America’s Got Talent” to a regular role as the resident magic expert on “Pawn Stars,” magician Murray SawChuck is known as a “Celebrity Magician” for a reason. Sporting iconic Armani glasses, a shock of blonde hair and an electric blue suit, Murray sets himself apart from other magicians with dazzling tricks and a persona to match during his intimate show Tropicana’s Laugh Factory, *Murray: Celebrity Magician*. As if seeing Murray’s act isn’t enough, the blond magician lends the stage to Douglas Leferovich or “Lefty” during the *Murray: Celebrity Magician* show. Lefty elicits laughs as a goofy stagehand character, creating moments reminiscent of silent film shenanigans and Charlie Chaplin comedy, which round out this stand out show. ***Tropicana, 702-739-2222***
